## Construction Begins on Two Arizona Projects

---

M. J. Harris, Inc. has been making waves in the month of June. Our company has kicked off two projects in Arizona for HealthSouth Corporation and has received accolades from industry publications.

June marked the start of construction on the HealthSouth Valley of the Sun Hospital in Glendale, AZ & HealthSouth Rehabilitation Hospital in Scottsdale, AZ.

The HealthSouth Valley of the Sun project is a 15-bed, 6,200 square foot addition to the existing hospital.

M. J. Harris, Inc. also recently broke ground on a 10-bed addition to the HealthSouth Rehabilitation Hospital of Scottsdale. The original rehabilitation hospital was built by our team in 2000. The new project will complete in November 2009.

In addition, M. J. Harris, Inc. was ranked in the “Top Healthcare Construction Firms” by *Healthcare Building Ideas* and *HEALTHCARE DESIGN*.
