M.J. Harris Inc. said it has completed construction of Greenwood Regional Rehabilitation Hospital in South Carolina.

The company built the 52,500-square-foot rehabilitation hospital in Greenwood. It has 46 beds and is owned by Ernest Health Inc.

The new hospital allows the nearby Self Regional Hospital to convert its rehabilitation beds into regular hospital beds for use by the city of Greenwood and surrounding communities, said a news release issued by M.J. Harris.

M.J. Harris is a Birmingham-based general contractor that focuses mainly on health care construction.
